## Professional Summary

---

A highly experienced and senior Orthopaedic Surgeon with over 25 years of clinical practice and nearly two decades of specialized medico-legal reporting. Currently serving as an Associate Specialist at Whiston Hospital, managing trauma and elective orthopaedic cases independently. Clinical expertise includes foot and ankle surgery, lower limb arthroplasty, and orthopaedic trauma.

An accomplished medico-legal expert, having prepared thousands of objective, evidence-based, and CPR Part 35-compliant reports for solicitors, insurers, and medico-legal agencies. Recognized for delivering robust expert witness opinions promptly, typically within 24–48 hours, grounded in decades of orthopaedic and medico-legal experience. In addition to clinical and medico-legal practice, serves as a Tutor and Examiner for the University Of Liverpool School Of Medicine, contributing to the education, mentorship, and assessment of undergraduate medical students, emphasizing clinical excellence and evidence-based orthopaedic practice.

## Professional Impact & Achievements

---

- Over 25 years of orthopaedic practice, independently managing trauma and elective surgical cases successfully.
- Specialized in foot, ankle, and lower limb arthroplasty, consistently achieving excellent patient outcomes.
- Nearly two decades of medico-legal experience preparing thousands of expert witness reports efficiently.
- Expert reports are CPR Part 35-compliant, evidence-based, objective, and delivered within 24–48 hours.
- Extensive experience handling clinical negligence assessments, second opinions, public liability, and workplace injuries.
- Recognized for robust clinical judgment, clear communication, and translating complex medical evidence effectively.
- Active contributor to professional compliance, adhering fully to GMC guidelines and legal expert standards.
- Managed surgical teams and mentored junior clinicians, enhancing efficiency and excellence across multiple sites.

## Clinical Experience

---

### Associate Specialist – Orthopaedic Surgery | Whiston Hospital

- Independently manage both trauma and elective orthopaedic cases.
- Specialize in foot and ankle surgery, lower limb arthroplasty, and complex orthopaedic trauma.
